LEGISLATIVE CALL TO ACTION!

Our Housekeeping Legislation - SB 308 now only needs it's 3rd and final reading in the House to pass into law. We have worked for five years to pass this much needed legislation and this is the most progress it has made so far. However, we are running out of time with only four legislative days left. We need your help!

CALL TO ACTION: Please contact the members of the Rules Committee (listing attached) and ask them to put SB 308 on the Calendar as soon as possible. This committee will meet again on Tuesday, April 13th at 12:30 p.m. to review Senate Bills to be placed on the Calendar. Please contact these members before this meeting. Also, please contact your own Representatives and ask them to pass SB 308 (you may go to www.legislature.state.al.us to find your Representative).

A complete copy of the Bill and a summary page of "What This Bill Does" is included for your convenience and posted on our web site at www.homemed.alabama.gov under "Legislation 2010".
